June 29, 2018

This Brochure provides you with information about the qualifications and business practices of The Chancellor Group, Inc. It contains information that you should consider before becoming a client of our firm. If you have any questions about the content of this Brochure, please email or call the contact person listed above.

The information contained herein has not been approved or verified by any governmental authority. Our firm is a state investment advisory firm registered pursuant to the laws of the State of Georgia. Registration of an investment advisor does not imply a certain level of skill or training, only that we have filed the requisite registration documents in the proper jurisdictions and with the respective governmental entities.

Additional information about The Chancellor Group, Inc. can be found on the Investment Adviser Public Disclosure Website at www.adviserinfo.sec.gov. The Chancellor Group, Inc. CRD/IARD No. is 112918.

The Brochure Supplements for the investment advisor representatives of our firm begin after page 12 and this document is not complete without the Brochure Supplements.

MATERIAL CHANGES (Item 2)

Material Changes since last update

This version of our Brochure dated June 29, 2018 is an interim amendment. The following are the material changes to our business practices since the last filing in March of 2018:

Advisory Services (Item 4)

Types of Advisory Services

Effective **July 1, 2018**, we will offer discretionary investment management services.

Investment Discretion (Item 16)

Discretionary Authority

When we use discretion to manage accounts, our firm will implement investment decisions without a client's prior approval. All investment decisions are made in alignment with a client's stated goals and objectives for the account(s). Clients grant discretionary authority upon signing our investment management agreement.

We may, under limited circumstances, implement investment decisions in accordance with non-discretionary authority.

General (non-material) Revisions

We have revised some information or included additional language to ensure that our disclosures are clear and succinct.

Full Brochure Available

The foregoing is a summary of material changes in the interim amendment to our firm brochure. If you have any questions about our annual updates or would like a full copy our Brochure, please contact us by telephone at (770) 661-0283 or by email to vince@thechancellorgroup.com.

Please also note that additional information about The Chancellor Group, Inc., can be found on the Investment Adviser Public Disclosure website at www.adviserinfo.sec.gov. The Chancellor Group's CRD/IARD No. is 112918.

ADVISORY SERVICES (Item 4)

About Our Business

The Chancellor Group, Inc. (“we”, “us”, or “our”) is a wealth management company that provides financial planning and investment management services. Our firm is a Georgia domiciled corporation located in Atlanta, Georgia. We began advisory operations in 2002 and have been providing advice to our clients since that time. We conduct business in the states of Georgia, South Carolina, and Texas.

The corporate principals of our firm are Mr. Herschel Vincent (Vince) Clanton, President and Mr. Scott Taylor Clanton, Vice President. Vince Clanton and Scott Clanton are also the firm’s investment advisor representatives. Mr. Vince Clanton is also our firm’s chief compliance officer.

Types of Advisory Services

Our firm provides financial planning and personalized investment management services to individuals and high net worth individuals. We assist clients in planning for their financial future and growing their investments. A detailed explanation of our services is as follows:

1. Financial Planning Services

We provide modular and comprehensive financial planning services. Client data is evaluated thoroughly to formulate comprehensive financial plans (long-term goals) or plans for specific financial planning events (short-term goals). Our plans may include information relative to retirement planning, advanced education planning, college planning, or plans for major purchases, as well as life, health, disability and long-term care insurance needs.

Our financial planning advice will typically involve providing a variety of services, principally advisory in nature, regarding the management of a client’s financial resources based upon an analysis of each client’s individual needs. The financial planning process involves the collection, organization and assessment of all relevant data as well as the identification of financial goals and objectives. The primary objective of this process is to allow our firm to assist clients in developing a strategy for the successful management of income, assets, and liabilities in meeting financial goals and objectives. We conduct a complimentary initial consultation to collect pertinent information about a client financial circumstances, goals, and objectives. The information normally covers current (and anticipated) assets and liabilities, including insurance, savings, investments and anticipated retirement or other employment benefits. Once such information has been reviewed and analyzed, a written financial plan, designed to achieve a client’s stated financial goals and objectives, will be prepared and presented.

The written financial plan generally includes recommendations for a course of activity or specific actions. For example, we may recommend that a client establishes an individual retirement account, increase or decrease funds in savings, invest funds in securities, obtain insurance, or revise existing coverage. We may develop or include tax and estate planning matters or make a referral to an accountant or attorney for other professional services. Clients are responsible for engaging these professionals directly on an as-needed basis.

Financial plans are prepared based on information a client provides about his/her particular financial situation. It is a client’s responsibility to notify us promptly if there are changes in the noted financial situation, needs, goals, or objectives.

Clients retain absolute discretion over all implementation decisions and are free to accept or reject any recommendation by our firm. Clients are under no obligation to engage us for investment management services.

2. Investment Management Services

We provide discretionary investment management services tailored to meet a client’s financial goals and investment objectives. If retained for investment management services, we meet with our client to gather information regarding specific investment goals, objectives, time horizon, risk tolerance and other relevant suitability information.

We will use the information gathered to develop a strategy that enables our firm to provide continuous and focused investment advice. After constructing and implementing an investment plan, we monitor the performance of our client’s portfolio(s) on an ongoing basis.

We generally recommend portfolios consisting of no-load mutual funds and select exchange traded funds. We will use account custodian, The O.N. Equity Sales Company (ONESCO) to implement our investment

strategies resulting from an investment plan or otherwise. Please review the Brokerage Practices section, Item 12 for more information regarding our account custodian. Clients are under no obligation to use ONESCO to implement recommendations. However, if a client chooses to use an account custodian other than ONESCO, we will not be able to implement specific investment management recommendations, in that our investment advisor representatives must seek approval before utilizing a custodian other than ONESCO.

Tailored Services

Our advice and services are based on the individual needs of our clients after analyzing and thoroughly evaluating each client's goals, objectives, investment horizon, and risk tolerance. Clients may impose restrictions on investing in certain asset classes or any specific types of securities by advising their investment advisor representative of such restrictions.

Wrap Fee Programs

We are not a participant in any wrap fee program.

Assets under Management

We currently* manage a total of \$52,723, 487 in client assets. *Our assets under management figure is based on calculations as of December 31, 2017 and at that time, all assets were managed on a non-discretionary basis.

FEES AND COMPENSATION (Item 5)

Advisory Fees

We earn fees and compensation by providing financial planning and investment management services. Our fees for services are as follows:

1. Fees for Financial Planning Services

Our initial consultation for financial planning services is complimentary. Our hourly and fixed fees are as indicated below:

(a) Hourly Fees

If after the complimentary session, a client chooses to have us prepare a written financial plan, our hourly rate of \$200 will apply. The average financial plan takes approximately fifteen (15) hours to complete, and costs \$3,000. The final planning fee shall be directly dependent upon the complexity of a client's financial situation and the details required for the financial plan. We will sign an agreement identifying a "not to exceed" fee for the financial plan. Upon execution of our agreement, clients pay \$500 of the estimated fee as a deposit, and the remaining balance is due when we present the planning recommendations. Our hourly fees are non-negotiable, and the first payment is non-refundable after five (5) business days after execution of our planning agreement.

(b) Fixed Fee

If after our presentation of the written financial plan, a client chooses to use our investment management services to implement the financial plan, we will reduce the fee for financial planning services to a fixed fee of \$500. Please note that our fixed fees are non-negotiable.

2. Fees for Investment Management Services

Our fee schedule for investment management services is as follows:

Assets Under Management	Annual Fee
\$100,000 - \$250,000	1.75%
\$250,001 - \$500,000	1.50%
\$500,001 - \$750,000	1.25%
\$750,001 - \$2,000,000	1.00%
\$2,000,001 - \$5,000,000	.80%
\$5,000,001 and above	.60%

Sample Fee Calculation:

Value of Investment \$2,275,000

\$2,275,000 @ .008

Annual Fee of \$18,200 or Quarterly Fee \$4,550

Our fee schedule for Investment Management Services is non-negotiable; the final fee is outlined in our investment advisory agreement. Notwithstanding the foregoing, we reserve the right to assess a lesser investment management fee based upon certain criteria (e.g., anticipation of additional assets, dollar amount of assets to be managed, related accounts, account composition, etc.) that we deem pertinent.

Billing Procedures

Our specific billing procedures are as follows:

1. Comprehensive Financial Planning Services Billing

Clients will pay the deposit by check at the time of signing the financial planning agreement. The remaining balance is due upon delivery of the written financial plan or recommendations and is generally paid by check.

More importantly, clients who elect to use our firm for implementation of the financial plan (i.e. utilize our investment management services) will only incur a fixed fee of \$500.00 for preparation of the financial plan. That is, after making the deposit for financial planning services, no additional fees are due.

2. Billing for Investment Management Services

Fees for investment management services are billed quarterly in advance, meaning client invoices for advisory fees are transmitted to the account custodian, electronically or otherwise, at the beginning of the calendar quarter. Unless directed otherwise by client, for billing purposes we use the aggregate value of all accounts for each client (i.e., household). The fee assessment is based on the value of the account(s) as of the last business day of the previous quarter and also includes the value of the cash and cash equivalent positions in the account(s). When calculating the advisory fees, all open positions shall be valued at the market value, which means the settlement price, as determined by the exchange on which the transaction is effected, or the most recent appropriate quotation as supplied by the account custodian. If there are no trades on the date of the calculation due to operation of the daily price fluctuation limits or due to a closing of the exchange, the open position will be valued at fair value as of the close of the then most recent trading day.

Advisory fees incurred for any period of less than the full billing cycle will be prorated based on the number of days that remain in the current quarter as of the day the assets are transferred or deposited into the account. Further, no fee adjustments will be made for additional deposits and/or partial withdrawals during any quarter.

In the case of investment management services, by agreement and client's written authorization, advisory fees are generally deducted directly from the specified client account(s). In such instances, a fee recap will be sent to the client and account custodian. On the other hand, if a client has agreed to pay advisory fees by check, payments are due within thirty (30) days of receipt of our invoice. Please note that clients are responsible for verifying the accuracy of the advisory fee calculations. All fees are subject to review and revision at any time.

Other Fees & Expenses

Clients will also incur additional fees and expenses related to management of investments in account(s) and advisory service provisions. These fees may include but are not limited to no-load or non-network mutual fund ticket charges, commissions, brokerage transaction costs, account maintenance fees, clearing costs, and other legal or transfer fees. The account custodians, broker-dealers, mutual fund companies, and others who provide services for the account(s) charge these fees ("third party fees") and clients are responsible for payment of all third party fees and expenses. There are also transaction costs for each purchase/sell transaction in the account(s). The ONESCO transaction costs are \$25 for each purchase/sell transaction in mutual funds. There is also a fee of \$25 for purchase/sell transactions of up to 1000 shares in exchange traded funds and individual stocks. Purchases/sells greater than 1000 shares will incur incremental charges of \$10 for each 500 shares. For example, the transaction fee for 2000 shares is \$40. It is important to note the advisory fees paid to our firm are separate and distinct from the maintenance fees and transaction expenses charged by third parties. Please refer to *Brokerage Practices* section (Item 12), for more information regarding brokerage our account custodian.

Refund Policy

Clients who do not receive this Brochure at least 48 hours in advance of signing our advisory agreement are afforded the right to terminate their agreement within five (5) business days, without penalty. Upon expiration of the five (5) business days, either party may terminate the advisory agreement at any time by providing thirty (30) days advance written notice to the other party. Upon receipt of the termination

request, we will assess fees pro rata the date of termination and any unearned portion of prepaid fees will be refunded within fourteen (14) days. Any unpaid fees due to our firm will be collected prior to disbursement of funds, if applicable. In the event we are unable to deduct final fees from the account(s) (in the case of an account transfer), we will transmit an invoice to client, which is due upon receipt.

Other Compensation

The investment advisor representatives of our firm are also registered representatives of The O.N. Equity Sales Company (ONESCO), CRD No. 2936, a FINRA registered broker-dealer and member of SIPC. Although dually registered as registered representatives, as of March 13, 2017, our investment advisor representatives no longer receive 12(b)-1 distribution fees from mutual fund companies.

PERFORMANCE BASED FEES AND SIDE-BY-SIDE MANAGEMENT (Item 6)

We do not charge performance-based fees and we do not conduct side-by-side investment management services.

TYPES OF CLIENTS (Item 7)

We generally provide advice to individuals and high net-worth individuals.

Our firm requires a minimum account value of \$100,000 but will accept accounts of lesser value. Please be advised however, that accounts of smaller value are more difficult to diversify and rebalance and may not experience the same performance as accounts valued at \$100,000 or more.

METHODS OF ANALYSIS, INVESTMENT STRATEGIES, AND RISK OF LOSS (Item 8)

Methods of Analysis and Investment Strategies

We utilize Ibbotson & Associates, a division of Morningstar, as a resource to provide our risk tolerance questionnaire, and the suggested model portfolios that are generated based on a client's response to our inquiries. The questionnaire is designed to discern a client's maximum tolerance for risk. Ibbotson also analyzes mutual funds using a return-based approach to determine the representative composition of funds by individual asset class. Ibbotson also assigns an appropriate asset class to individual stocks. Once a client's maximum risk tolerance profile has been established, we discuss model portfolios that may be suitable. Each model recommends a fixed income to equity ratio of assets for a client's account(s). Each of the portfolios identify multiple domestic and global market sectors. Asset allocation is a key component of investment portfolio design. We believe that the appropriate allocation of assets across diverse investment categories (stock vs. bond, foreign vs. domestic, large cap vs. small cap, high quality vs. high yield) is a major determinant of portfolio returns and critical in the long-term success of any client's financial objectives. Clients may impose restrictions however; restrictions and stringent guidelines may affect the composition of portfolios. Our services do not encompass traditional buy and hold stock strategies, but clients may direct that a particular security be purchased or held in the account(s). We will accommodate such requests without taking responsibility for the performance of that particular security.

One of the most important criteria that we analyze is the cost effectiveness of the underlying investments in the portfolio. During the selection process, we consideration the fees and any other expenses of actively and passively managed mutual funds that could affect returns.

In addition to preferring mutual funds that have lower fees, we evaluate funds for risk and return over varying time periods against comparable funds through the use of Investment View software provided by Thomson Reuters.

Once a portfolio has been fully invested, we will generally remain invested at all times, as we believe that market timing does not add value to the investment management process. We will generally manage low turnover portfolios. We believe that frequent trading will produce negative results due to high transaction costs and adverse realization of gains or losses. We utilize the discipline of re-balancing portfolios as market results create portfolios that are inconsistent with the asset allocation of the model portfolio. Additionally, any significant future cash inflows, will be invested in the portfolio over a period of six to ten months.

Material Risks of Methods of Analysis and Investment Strategies

We utilize common analysis methods and investment strategies but even so, there remains some level of material risk. Performance and capital preservation are not guaranteed; changing market conditions create the necessity to continuously re-evaluate each position held in the portfolio on a periodic basis. Actively managed mutual funds will be assessed periodically against other comparable funds. A pattern of poor performance over time will result in the mutual fund being eliminated from our strategy.

Notwithstanding the method of analysis or investment strategy employed by our firm, the assets within a portfolio are subject to risk of devaluation or loss. We want clients to be aware that many different events that can affect the value of assets or portfolios including, but not limited to, changes in financial status of companies, market fluctuations, changes in exchange rates, trading suspensions and delays, economic reports, and natural disasters. While this information provides a synopsis of the events that may affect investments, this is not an exhaustive listing.

We want you to understand that there are inherent risks associated with investing and depending on the risk occurrences, you may LOSE A PORTION OF YOUR PRINCIPAL INVESTMENT.

Recommendation of Specific Types of Securities

Generally, our advice encompasses making recommendations relative to no-load mutual funds and select exchange traded funds. We may, upon client request, incorporate other securities into the portfolio construction process.

DISCIPLINARY INFORMATION (Item 9)

Neither our firm nor its management has been involved in any industry related legal or disciplinary events.

OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS (Item 10)

Financial Industry Activities

We are not a registered broker-dealer and do not have an application pending for registration as a broker-dealer. Nonetheless, our firm is a branch office of FINRA registered broker-dealer, The O.N. Equity Sales Company (ONESCO) and our investment advisor representatives are also registered representatives of ONESCO. Additionally, Mr. Vince Clanton, is also an investment advisor representative of O.N. Investment Management Company (ONIMCO), the ONESCO investment advisor affiliate.

Financial Industry Affiliations

We are not registered as, and do not have applications pending to register as, a Futures Commission Merchant, Commodity Pool Operator, or Commodity Trading Advisor, nor is any firm principal or investment advisor representative registered as an associated person thereof.

Other Affiliations

Mr. Vince Clanton and Mr. Scott Clanton are also licensed insurance agents who offer and sell insurance products to advisory clients for asset and income protection and risk management needs. The insurance offerings include life, health, disability, and long-term care insurance. Many of the insurance products are sold through separate and distinct vendors. Our investment advisor representatives may devote up to ten percent (10%) of their workweek to selling insurance products.

In Mr. Vince Clanton's and Mr. Scott Clanton's capacity as insurance agents, they will receive separate, yet customary compensation for insurance product sales. In instances where Mr. Vince Clanton or Mr. Scott Clanton receive advisory fees in addition to insurance commissions, his compensation will be greater than if purchased separately or absent of the advisory fee component. Insurance products may be available through more cost effective channels, and clients are not obligated to purchase insurance products recommended by the investment advisor representatives of our firm.

Acting in dual capacities (insurance agents and investment advisor representatives) and receiving compensation as such, creates a conflict of interest. This is our notification of the aforementioned conflict of interest; additional conflicts will be disclosed in writing prior to providing other services.

We do not have any material arrangement or relationship with a related person that is a broker-dealer, municipal securities dealer, government securities dealer or broker, investment company or other pooled investment vehicle (including a mutual fund, closed-end investment company, unit investment trust, private investment company or “hedge fund,” and offshore fund), other investment advisor or financial planner, futures commission merchant, commodity pool operator, commodity trading advisor, banking or thrift institution, accountant or accounting firm, lawyer or law firm, pension consultant, real estate broker or dealer, sponsor or syndicate of limited partnerships **not already disclosed herein**. (Please also review Item 4 of each investment advisor representative’s Brochure Supplement - Other Business Activities)

Other Investment Advisers

We do not select other investment advisors for our clients.

CODE OF ETHICS, PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS AND PERSONAL TRADING (Item 11)

Code of Ethics

Our firm, management persons, investment advisor representatives and other employees (collectively, “personnel”) subscribe to a strict code of ethics. Our Code of Ethics is constructed to comply with the investment advisory laws and regulations that require firms to act as fiduciaries in transactions with their clients. Our inherent fiduciary duty requires that we act solely in our client’s best interest and adhere to standards of utmost integrity in our communications and transactions. These standards ensure that client interests are given precedence.

Accordingly, we have implemented extensive policies, guidelines, and procedures that promote ethical practices and conduct by all of our personnel. The foregoing has been compiled and is collectively referred to as our Code of Ethics. We adopted our Code of Ethics to specify and prohibit certain types of transactions deemed to create conflicts of interest (or perceived conflicts of interest), as well as to establish reporting requirements and enforcement procedures pertaining to personal transactions by our personnel. Our Code of Ethics, which specifically deals with professional standards, insider trading, personal trading, gifts and entertainment, and fiduciary duties, establishes ideals for ethical conduct based upon fundamental principles of openness, integrity, honesty, and trust. We will provide a copy of our complete Code of Ethics to any client or prospective client upon request.

Participation or Interest in Client Transactions

We do not recommend that clients buy or sell securities in which a related person may have a material financial interest.

Personal Trading

Proprietary Trading

We may at times, buy or sell securities for our own account that we have also recommended to clients. We will always document any transactions that could be construed as a conflict of interest. To mitigate or remedy any conflicts of interest or perceived conflicts of interest, we will monitor trading reports for adherence to our Code of Ethics.

Simultaneous Trading

From time to time, we may buy or sell advisory products for our own accounts at or around the same time as clients. In any instance where similar securities are purchased or sold, we will uphold our fiduciary duty by always ensuring that transactions are beneficial to the interest of our clients.

BROKERAGE PRACTICES (Item 12)

Selection and Recommendation

The investment advisor representatives of our firm maintain dual registration with The O.N. Equity Sales Company, (CRD No. 2936) (“ONESCO”), a FINRA registered broker-dealer and member of SIPC. As a result of this affiliation, we will recommend that clients utilize ONESCO for investment management accounts and brokerage transactions in that approval to utilize other account custodians is required. Our affiliation with ONESCO is designed to maximize efficiency and cost effectiveness on behalf of our clients. By recommending that clients use ONESCO as a custodian, we seek to achieve the most favorable results relative to trading costs, allocation of funds, and rebalancing of client’s investments.

Due to our dual registration, certain conflicts of interest exist when recommending that clients utilize ONESCO as an account custodian or broker-dealer. We attempt to eliminate or minimize such conflicts of interest by evaluating whether any proposed transaction that would result in such separate compensation is in the best interest of the client when compared to other alternatives.

1. Soft Dollar Benefits

We do not receive research or other products or services (i.e., soft dollar benefits) in exchange for placing trades or processing securities related transactions for clients.

2. Brokerage for Client Referrals

We do not receive client referrals from broker-dealers or other third parties in exchange for using any particular broker-dealer.

3. Directed Brokerage

Due to existing arrangements and certain affiliations, we do not allow clients to direct brokerage.

Order Aggregation

Our advisory business model does not necessitate transactions that would require order aggregation. In the event a need to aggregate orders does arise, we would facilitate such a transaction through our account custodian.

REVIEW OF ACCOUNTS (Item 13)

Periodic Reviews

Our criteria for reviewing clients' accounts are as follows:

1. Review of Financial Plans

We prepare financial plans based on the financial data that clients provide to our firm. Clients may elect to have an annual review of the progress of the written financial plan. The annual review is subject to our hourly financial planning rate. The average fees range between \$200 and \$400. Nonetheless, clients who have entered into an agreement for ongoing investment management agreement are not assessed fees for annual reviews, consultations, or other updates that may take place during the year.

2. Review of Investment Management Portfolios

We review portfolio activity no less than annually. Our reviews consist of determining whether a client's portfolio strategies continue to align with stated investment goals and objectives. Reviews are completed by Mr. Vince Clanton and Mr. Scott Clanton. If reallocation of investments is necessary, we will contact the client to sell underperforming investments or to buy new investments that are more appropriate for the client's investment goals and objectives.

Intermittent Review Factors

Intermittent reviews may be triggered by substantial market fluctuation, economic or political events, or by changes in a client's financial status (such as retirement, termination of employment, relocation, or inheritance). Clients should contact us to initiate an interim review upon the occurrence of any of the foregoing events.

Client Reports

Clients will receive transaction confirmations from the account custodian shortly after executing purchases or sells. Additionally, the account custodian will send monthly statements for each month in which there is activity. If there is no activity during any month, clients will receive statements quarterly. These statements will provide details regarding account activity, asset allocations, holdings, and performance.

CLIENT REFERRALS AND OTHER COMPENSATION (Item 14)

Economic Benefits for Advisory Services

We do not receive referral compensation or have any arrangement to receive economic benefits (such as sales awards or other prizes) from any third party for providing advisory services to our clients.

Compensation for Client Referrals

Our firm does not compensate any person for client referrals.

CUSTODY (Item 15)

Custodian of Assets

We do not hold physical custody of client funds or securities. We require that qualified custodians hold client assets. For more information regarding our qualified custodian, please review the Brokerage Practices section, Item 12.

Account Statements

Client account statements are mailed or sent electronically by the account custodian. Clients are advised to review these statements carefully, comparing asset values, holdings, and advisory fees on such statements to that on previously received statements, confirmations and advisory fee invoices.

INVESTMENT DISCRETION (Item 16)

Discretionary Authority

It is customary for our firm to exercise discretionary authority in order to manage and direct the investments of clients' accounts. This authority is granted upon execution of our investment management agreement. Discretionary authority is for the purpose of making and implementing investment decisions without prior consultation with clients. Investment decisions include determining the types and dollar amounts or percentages of securities to be bought or sold for account(s) and such decisions are made in accordance with a client's stated investment objectives. Clients may at any time during our engagement, advise us in writing of any limitations on our authority. Clients may impose limitations on investing in securities in specific industries or countries, etc., and dollar amounts or percentages of, investments in the foregoing.

There are some instances where we may exercise non-discretionary authority in managing and directing clients' investments. Under non-discretionary authority, we will seek the client's consultation and approval (oral or written) prior to implementing investment strategies or decisions. This is not our general practice and this authority is generally only used for clients who specifically request non-discretionary authority.

VOTING CLIENT SECURITIES (Item 17)

We do not participate in proxy voting on behalf of clients. Clients are responsible for casting proxy votes solicited by issuers of securities. Clients are also responsible for making elections relative to mergers, acquisitions, tender offers, bankruptcy proceedings and other type events pertaining to the securities in a client's account(s). Clients will receive proxy and other solicitation information by mail from the account custodian or securities issuer's transfer agent. Please follow the instructions for proxy voting or making an election relative to a merger or other legal matter included in the mailing.

FINANCIAL INFORMATION (Item 18)

Balance Sheet Requirement

Our firm does not require or solicit prepayment of more than \$500 in advisory fees, six (6) months or more in advance. Moreover, we do not meet any custody requirement that would require submitting a balance sheet with this filing.

Discretionary Authority, Custody of Client Funds or Securities and Financial Condition

It is customary for our firm to exercise discretionary authority with respect to supervising and directing the investments in client accounts; nonetheless, we may exercise non-discretionary authority at client's request. We have indirect custody of client's funds or securities due to our authorization and ability to withdraw advisory fees directly from client accounts. More importantly, we do not have any financial condition that will impair our ability to meet our contractual commitments to clients.

Bankruptcy Petition Filings

Our firm has not been the subject of a bankruptcy petition at any time during the past ten (10) years.

REQUIREMENTS FOR STATE REGISTERED ADVISERS (Item 19)

Firm Management

Our firm has two (2) corporate officers, H. Vincent Clanton, President and Scott T. Clanton, Vice President. Specific information regarding the educational and business backgrounds of Mr. H. Vincent Clanton and Mr. Scott T. Clanton is outlined in the attached respective Brochure Supplements.

Other Business Activities

The other business activities of the Firm are listed in Item 10 herein.

Performance-Based Fees

Neither our management persons nor investment advisor representatives assess performance-based compensation.

Disciplinary Disclosure Reporting

Arbitration Claims. NONE

Civil Litigation, Self Regulatory Organization proceedings, or Administrative actions. NONE

Relationships or Arrangements with Securities Issuers

Neither our firm nor management personnel has additional relationships or arrangements with any issuers of securities.

This brochure supplement provides information about Investment Advisor Representative, Herschel Vincent Clanton, CRD No. [2772945](#) that supplements the firm brochure of The Chancellor Group, Inc. BROCHURE SUPPLEMENT for Herschel Vincent Clanton, CRD No. 2772945

EDUCATIONAL BACKGROUND & BUSINESS EXPERIENCE (Item 2)

The Chancellor Group requirements for Investment Advisor Representative Employment

We require that employees who provide advice on behalf of the firm have at least, a 4-year college degree, preferably an advance degree, and no less than 2 years relevant work experience in the financial services industry. Additionally, employees must have taken and passed relevant securities and state advisory exams such as Series 7, Series 66, Series 63, and Series 65. Moreover, employees should also have or obtain life and health insurance licenses.

Investment Advisor Representative's Information:
Herschel Vincent Clanton, CFP® , CLU®
Year of Birth: 1948

Educational Background

Rice University, Houston, Texas, 1967

Bachelor of Science in Aerospace Engineering, Georgia Institute of Technology, Atlanta, GA, 1970

Master of Business Administration (Finance), Georgia State University, Atlanta, GA, 1977

Professional Designations

Certified Financial Planner (CFP) Designation, College of Financial Planning, 2002

Certified Financial Planner, CFP® and federally registered CFP (with flame design) marks (collectively, the "CFP® marks") are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. ("CFP Board"). The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 62,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board's studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor's Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;

Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances;

Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and

Ethics – Agree to be bound by CFP Board's Standards of Professional Conduct, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks.

Chartered Life Underwriter (CLU®) Designation, American College, 2002

The CLU® is a professional designation conferred by the American College that measures the competency of insurance experts. The CLU® designation is awarded upon completion of eight (8) self-study courses covering advanced insurance related disciplines, including fundamentals of insurance planning, individual life insurance, life insurance law, estate planning, and planning for business owners and professionals and at least three (3) years of full time industry experience.
